

Production Part Approval Process (PPAP)

Benefits

In this **4-hour** course, learn how to assemble a complete PPAP submission package in an efficient manner. This workshop is based on the 4th Edition of AIAG publication "Production Part Approval Process", effective June 1, 2006.

Outline

- Explain the PPAP process and its relationship to APQP
- Explain when PPAP is required
- Identify submission levels
- Identify All PPAP Requirements
- Identify Fourth Edition Changes
- Identify other requirements (customer-specific requirements)
- Explain the different required records

Who should attend

Engineering professionals from Design, Process, Manufacturing, Project, Assembly, and Quality.

Please contact us to request this workshop onsite!
